

New formula adopted for Public Works

Taxable assessment to be basis in determining 1952 ward allotments

Ward allotments for Public Works in Surrey will be distributed according to the taxable assessment in that ward it was decided when the report, submitted by a special committee was accepted Monday by Council following some debate.

Under this distribution, Ward 1 will receive \$34,528 or 16.42 per cent; Ward 2, \$35,975, or 15.75 per cent; Ward 3, \$29,980, or 14.71 per cent; Ward 4, \$24,970, or 11.80 per cent; Ward 5, \$22,787, or 10.77 per cent; Ward 6, \$20,975, or 10.70 per cent; Ward 7, \$24,985, or 12.32 per cent.

Councillors argued this was the most equitable basis of distribution as the people who pay the taxes should be considered.

Suggestions on reallocation of wards were discussed with Reeve Schellars saying it would have been studied last year but for the move to go off the ward system.

Councillor Vic McPherson favored five wards with Ward 7 remaining as a unit. He thought that two wards on the east and three wards on the west would balance the municipality.

It was felt this would be more in line with Stevenson and Kellogg recommendations, removing most of the responsibility on the planning officials.

PLAYERS PLAN STUDY GROUPS

First in a series of weekly study groups on acting technique will be inaugurated by White Rock Players' Club this Sunday at 8 p.m. at the Little Theatre.

The study course will cover basic techniques of stage movement, characterization and make-up.

Designed as a brush-up for Players' Club members, the course will also provide a starting point for would-be actors, and all interested persons are invited by the club to participate.

Meetings will be held each Sunday at 8 p.m. at the theatre.

LEGION NOTES

Last Post sounds for three members

Three members of Branch 8, Canadian Legion, have passed away since the last general meeting. They are Comrade Walter Greenaway, January 27; Comrade John Mason, January 28; and Comrade Sid Mallinson, February 3.

"At the going down of the sun and in the morning we will remember them."

On Friday, February 2, President Walter Hunter and Rev. H. Harlick paid a visit to Shaughnessy Hospital and saw Comrades Dick Wood, Moore, Kline and McElhinney. They report all are doing well.

Members will be pleased to learn that Rev. Harlick, assistant pastor to Rev. Pitt Griffiths, will now make regular visits to Shaughnessy Hospital and will see all known members. Names for each visit were secured from the secretary, treasurer's hospital register.

W.A. meets Tuesday

Three monthly meeting of the Holy Trinity Evening W.A. will be held at the home of Mrs. L. Davidson, 566 Buena Vista, on Tuesday, February 12 at 8 p.m.

Auxiliary to meet

Gate Park Group of the Hospital Auxiliary will meet at the home of Mrs. Tom Barrett, 810 Columbia, on Tuesday, February 12 at 8 p.m.

OCEAN PARK

MLA speaks at Assn. meeting

"Provincial Affairs" was the topic of Alex Hays, MLA, when he addressed the monthly meeting of Ocean Park Community Association last Friday.

The provincial minister touched on forest management, water power and extension of the PGE. He reported that the new proposed road through Semiahmoo Park to the border would be a benefit to all with increasing tourist trade.

Ted Hindmarsh reported on work being done with the Boys' Club now meeting in the hall each week. A display of their activities is planned for March 6 he reported.

Films to be shown in the Hall on February 27, courtesy of the B.C. Electric Co., are expected to include the Royal Visit to Van couver.

A special meeting is to be held in the Hall to hear a report from the local planning committee on incorporation on Monday, February 11 at 8 p.m.

A white drive will be held Friday evening, February 15.

White Rock Scouts plan paper drive

Patrol Leaders Take Over This from Scoutmaster Bill Kelly of 1st White Rock Troop and the regular Wednesday night Scout Training program is under way.

The shrill young voices of Patrol Leaders are heard—Wolf Patrol—Dinner; Stag Patrol—Dinner; Beaver Patrol—Dinner, and from then onwards, ropes are knotted, semaphore, Morse and first aid are studied and practiced.

White Rock Troop is well known in B.C. as a CAMPING Troop and for camping and hall expenses the boys are asked to raise funds by the collection of waste paper—20 tons of it.

On Saturday, February 16, ten trucks and the entire troop will cover the White Rock area from Bergriston to Sayle.

Bundles of newspapers and magazines bound separately in 35 pound bundles will be picked up from the porches of all who have it available.

"Be Prepared" Have the paper ready—the Scouts are coming.

Semiahmoo Group meets

Next meeting of the Semiahmoo Group of the White Rock Hospital Auxiliary will be held on Monday, February 11 at 2 p.m. at the home of Mrs. Lloyd North, 808 Pacific Avenue.

LIONS SEEK OLD HOSE FOR NEW BOYS CLUB

White Rock Lions Club has decided to assist in the sponsorship of a White Rock Boys' Club now being formed.

Members of the club aided in the procurement of a ring which are now seeking and looking equipment for the club as well as 200 feet of old garden hose to be used for rope.

Anyone willing to donate equipment or hose is asked to tele. phone W.R. 2366 and arrangements will be made to call for the donation.

PERFECT SCORE was rolled at Idle Hour Alfery last week when Charlie McLaren (left) posted "396" for the first perfect ten pin game ever played here. Bowling with McLaren was Al Robertson. Alfery manager Wern Lippel (right), presented McLaren with a cheque for \$100, the alley's standing offer to anyone who makes a perfect game at either five or ten pins.

Public Works department to prepare plans for scenic road

Surrey Board of Public Works will prepare plans covering the proposed scenic road through Semiahmoo Park from Beach Road to the new Dominion Government Customs building now being built. Plans will also be prepared showing municipal projects in this area.

Councillor Vic McPherson said he believed the Dominion Government was prepared to grant a right of way through the federal Department, from the Beach Road through the Indian reservation to the customs, approximately one-third mile in length.

This would provide a scenic route from the boundary to White Rock. Councillors argued the Provincial Government should assist in financing this project as it would give access to the Provincial park at the border.

Group changes meeting night

Keen interest was shown by an overflow crowd in incorporation plans at the regular meeting of the Crescent Heights/Ocean Park Property Owners' Association Tuesday.

Regular meeting night for the association has been changed from the first to second Tuesday in each month, at Crescent Park school, beginning at 7:30 p.m.

A committee has been appointed to meet with the Crescent Heights Property Owners' Association to discuss proposed boundaries. Cameron Lyle is president; Jas. Carruth, vice-president; Mrs. H. Christophersen, secretary; and Mrs. H. Chervin, treasurer.

Red Cross elects Bockus president

Re-elected president of the White Rock Branch of the Canadian Red Cross Association at the annual meeting held January 28 was C. Bockus.

Other officers elected were: 1st vice-president, Mrs. C. Crick; 2nd vice-president, Mrs. J. R. Sinclair; secretary, Mrs. L. Ash; treasurer, Mrs. W. Moffat; junior room convener, Mrs. A. Edwards; Junior Red Cross, Mrs. J. R. Sinclair.

It was announced that the work room would be open every Tuesday from 2 to 4 p.m., and that the loan-cupboard is available at any time at 701 Royal Avenue.

Plans are being laid for the annual fund drive.

Library service sets record book circulation

The Board of Management of the Fraser Valley Regional Library held its annual meeting on Wednesday, January 23, at Abbotsford.

The annual report of Regional Librarian Ronald Ley showed an all-time record book circulation in 1951 of 123,000, an increase of 4,000 over 1950. Adult reading increased by 24,000 juvenile by 18,700, of which 13,000 were recorded by school libraries. The book van of circulation 6,840 more books than in 1950.

LEGAL INCREASE

The librarian noted circulation increases in all centres. Haney, a new branch opened in May, increased by 875; Langley, British Columbia by 65; and Ladner by 125; Howe by 135; White Rock by 115; Abbotsford by 115; Chilliwack by 195; Port Coquitlam by 85; Chehalis by 65; and Ladner by 55. Surrey Council turns down 1952 fire budget

"No justification" for increased expenditures says Reeve; Chief named

The White Rock Fire Committee budget of \$125,000, increased by over \$700 over 1951 has been referred back to the Fire Committee, the White Rock Board of Trade and Valleysay Association for further study.

The Reeve said he couldn't see any justification for budgeting like the Board of Trade approving such expenditures. "The people of White Rock are always complaining of high taxes and such criticism comes to the Municipal Hall for the Fire Committee."

Councillor Bob Key thought the request for four paid firemen in a brigade which was supposed to be voluntary would soon discourage other brigades which were doing as good a job without pay.

Councillor Vic McPherson said the budget called for removal of all equipment from the fire station hall to the Johnston Road hall, which was to have two additional bays. The old hall would be sold.

QUESTIONS APPROVAL

Councillor Dick Miller believed the White Rock people wouldn't have approved the budget if they had realized it would mean boosting the mill rate.

The Reeve said five mills was a lot of money for fire protection. South Westminster had as good an excuse for paid firemen as they have density of population and a lot of industrial plants to protect.

It was decided to allow the Fire Chief to bring the new fire truck from the factory to White Rock provided the cost was kept within a reasonable limit.

APPOINTED CHIEF

Council approved the recommendation of Provincial Fire Marshall to designate R. C. Feather, the newly-appointed Fire Inspector Officer, as Fire Chief for the Municipality in pursuance of provisions in the Fire Marshall Act.

It was pointed out that as soon as the remaining districts are brought under fire protection all districts will be coordinated into one Municipal Fire District, with authority centralized.

School Board settles demands

The salary dispute between Surrey School Board and the Surrey Teachers' Federation has been settled without resorting to arbitration.

This was announced by A. G. Scott, School Board secretary, who said the teachers had accepted the final offer made by the Board in the amount of \$54,000 instead of the original demand by the teachers of \$130,000. It is estimated the cost will be \$14,000 more than the original offer made to the teachers.

Under the new agreement the elementary salary will be from \$1900 to \$3500, while secondary teachers will receive \$2200 to \$4600.

These salaries compare favorably with New Westminster teacher salaries where elementary salaries range from \$2125 to \$3975 and secondary teachers \$2500 to \$4600. It also compares with Delta where elementary salary scale is \$1900 to \$3500, and secondary \$2400 to \$4200.

Active legionnaire passes suddenly

Sydney Mallinson's sudden death of a heart attack while on the way to work, has shocked and deprived the community of another well-beloved citizen. And Wednesday afternoon at the Chapel Hill Funeral Parlors the community, headed by his legionnaire comrades turned out in full force to pay its last respects.

Mr. Mallinson, who was in his 88th year, came to live in White Rock upon his retirement from civil service in 1946. He was an active member of the Canadian Legion, Branch No. 8, and was well known in the music circles here.

He was a member of United Church choir and took a keen interest in youth work, particularly the Scout and Guide movement.

Born in Leeds, Yorkshire, England, Mr. Mallinson came to Canada 38 years ago.

He is survived by his loving wife Dorothy and one daughter, Diana, the family home, 738 Whalley Avenue; two brothers, Cecil of Leeds, England, and Eric in East London, South Africa.

Quiet ceremony

Unites bowling couple
The Red Bowling Club members and friends will be interested to hear of the marriage of Alice M. White to Ernest Todd, Kerfoot Road, which took place at Holy Trinity Anglican Church on Wednesday, January 30.

The bride and groom were attended by Mr. and Mrs. F. W. Speck, Kerfoot Road. Rev. Pitt Griffiths officiated at the quiet ceremony.

MORE ABOUT SCHOLARSHIPS

The following scholarships are available to students ranking high in the June exams.

A candidate for Scholarships may write on more than the four options if he so desires. In such a case the four highest marks obtained on optional subjects will be included with the mark obtained in English when the average is computed:

English 40 and four or more of the following.

Social Studies 30.

French 91.

Biology 91.

Chemistry 91.

Physics 91.

The Chris Sprent Foundation Special Scholarship—The C.S.F., Vancouver, offers for award two scholarships, each of the value of \$2000 to students at present in Grade 12 or 13 in B.C. These scholarships are open to students registering in September, 1952, at U.B.C. or Victoria College and taking a full course leading to a degree from U.B.C.

The winner of each scholarship will receive \$400 annually provided he or she obtains at least 80% in the final examinations or ranks in the upper 10% of the students in his or her class.

Basis of award is based on:

1. Scholarly ability as determined by the written examination in June.
2. Participation and interest in extra curricular activities both in the school and community.
3. Indication during high school attendance of moral force of character and of instincts to lead.
4. Other qualities indicating special achievement.

MEET THE STAFF

Mr. Sanford hails from N.S.

Mr. Sanford was born in Centre Burlington, Nova Scotia. He received his early education in the "little old red schoolhouse." After working for two years in lumber camps, Mr. Sanford turned his footsteps westward and eventually arrived in Vancouver.

Here he spent four years at construction work and then entered the University of British Columbia. After completing his First Year, Mr. Sanford attended Normal School and then spent the next five years teaching at Cowichan Residential School, Sault Ste. Marie.

During the summers he attended Summer school at U.B.C. In 1928 he returned to University for two years and in 1930 was appointed to the teaching staff at Queen Elizabeth High School in Surrey. He came to Semiahmoo as Principal in 1942. Mr. Sanford has acquired two degrees: a B.A. in Chemistry and Physics, and a B.Ed.

FAVORITES

Mr. Sanford's favorite sports are basketball and soccer. He thinks that lacrosse should be abolished. While attending school Mr. Sanford was greatly interested in track events.

Music and fishing are Mr. Sanford's favorite hobbies. He plays many musical instruments and sings bass in the Staff sextette. He likes old-time numbers and semi-classical music with jazz tempo. When asked about fishing he said that he likes catching anything but bullheads.

Mr. Sanford is married and has two boys, Gerry, aged 7, and Brian, aged 4.

Noisy Grade 9 girls are Mr. Sanford's pet peeve.

Plain Chatter

Don't miss the next edition of HILY. It will be written entirely by the junior members of the newspaper club.

The HILY held a successful study sale last Friday. The profits which will go towards their school project, was \$1578.

Semiahmoo's delegates to the HILY Inter-Club Meeting next Saturday will be: Marjorie Rostad, Doreen Mallinson, Denise Lemieux, Anne Heston, Rita Jacobs and Edna Kreeger.

A film will be shown in the school dealing with "How to Drive" on February 12.

As well as being able to play basketball the senior squads also sing. Jerry Barber appears to be the most promising of the warblers.

Thanks to Mr. Brown and Edna Fairholm, the junior grades are now having a chance to play basketball.

When John Shaw's photo didn't show up with the rest of the proofs, J.H.N. suggested the obvious reason: "They must have sent it to Hollywood."

Don't miss Doug and Cliff in their matching navy and gold school sweaters. You can't miss them as they have their names written on the right sleeve.

The Grade of 52 are sponsoring a Valentine Mixer on February 15. Pop and doughnuts will be on sale. Price 25 cents with card, 50 cents without. K.C. grade always welcome.

A Win and

Some Excitement

The first game of last week was an Exhibition Game held at Langley. This was a boys' game only and Semiahmoo won 39-34.

1st, Barber 7, Stewart 4, Fairholm 4, Terry 4, Molynek 2, Higgins 2, Meek 2, Stone 1.

The following is a story told by Mr. Brown to your sports reporter.

We (the boys' team) had arranged ourselves in the two available cars. Cliff Molynek and Ken Stone's Cliff was in the lead car. Ken did not know how to get to Langley High School. We were driving down Campbell River Road and when we got to the junction of Campbell River and the King George Highway, we saw a police car parked there.

They were very careful to stick out their hands to signal for a turn and we continued our journey. When we got on North Bluff Road, we heard a siren behind us, so we pulled over to the side of the road and stopped.

The policeman came to Cliff's car first and asked them where they were going. Cliff answered "Langley." The policeman then said "What for?" and Cliff answered, "to play basketball—there's enough Mr. Brown was making himself as small as possible in the right hand corner of the seat. But he O.Kayed what Cliff had told the policeman.

Then the latter said they could go ahead, and he went to speak to Ken Stone. Finally the boys started driving down the road. I still wondered why he stopped us.

Debatable Points:

Students suggest

needed facilities

Question—What facilities do you think we need around the school, which do you think we need?

ANSWERS:

SENIOR BOY—We need a gym board for the gym, a few pencil sharpeners for various rooms, two new windows for Room 31 and a new radiator for Room 39. (McLennan).

SENIOR GIRL—Blinds for Rooms 31 and 39, shower curtains for the shower room, and large mirrors for the girls' washroom. (Isabelle McKee).

JUNIOR BOY—An essay chair for Mr. Brown at the moon hour games. (Keith Gordon).

JUNIOR GIRL—Larger mirrors in the washrooms, transportation to games at other schools and more sports equipment. (Carolyn Miller).

C.E. girls win in tense overtime

The game held Friday, February 1 at C.E. was as bad as far as Semiahmoo was concerned. We lost both Senior Games.

The Girls' game prolonged its agony into overtime with C.E. winning with a score of 24-21. Anne Fennell was the top scorer, scoring 4 of her 8 points during overtime.

This was the first game the Semiahmoo Girls have lost in this year. However they are still in first place.

The Senior Boys broke their winning streak by losing to C.E. by a score of 45-43. Tempe Barrard and referees' blew their whistles.

The game was extremely close. Every Semiahmoo player was tops and the boys of the second string played good ball.

Final score was Semiahmoo 43, Queen Elizabeth 45.

The next game will be held at Lord Tweedmouth on February 8.

The junior boys played one of their best games, tying 23-23, Raywood.

CLASS CLATTER

SENIOR

Upon being asked to write a class report my first reaction was to exclaim, "Oh, no! It isn't my turn again. Already?" This being confirmed by our energetic editor my second question was, "But what will I write in?" This plea remained unanswered.

Still not knowing what to write on, I started browsing through some old magazines for a good idea for a report. I didn't find a good idea but I did find some good jokes so, here they are.

Here's one for any boys planning on marriage in later life.

"I'm having my troubles," a man complained to his friend at the club. "My wife tells me that almost every night she dreams she's married to a millionaire."

"You're lucky!" exclaimed the friend. "Mind thinks that in the daytime."

This one proves "mistakes will happen."

After the wedding, the happy couple were photographed as they left the church and proofs were promised in a few days. This large envelope duly arrived and was opened with great excitement. Inside were several studies of a baby lying on a bearskin rug and on the cheek which read "Please state clearly which size you want—and how many."

A good definition. Radio Commercial: the pause that depresses.

And here is a word of warning for the plutocrats who drive cars to school. Men still die with their boots on—but usually one boot is on the accelerator.

JUNIOR

A peek at the future—

One sunny day in July, 1962, I was walking down the street when I met Dave and Don wheeling a baby buggy. We had a small chat and a look at the bouncing baby boy and I was on my way again.

I had received a kind word and a parking ticket from Marvin Gould so I was on my way to the police station to talk to Judge Hapkin.

After paying my fine, I was walking down the street when I was stopped by a Mercury, eight door, convertible coming by containing Michael Harris. He had married the Mayor's daughter.

I had an errand to do and I walked to the store and I found amongst a pile of books Mr. Dale Taylor reading "Oh to be Young."

By Sir Jim Harris.

Before I had a chance to inquire about a book I wanted, two beautiful slim girls about the age of 23 walked into the store and one of them said, "My dear man have you a literary script on 'The Theory of Alessandro's Volte'?" I had to look twice, but it really was Char and Margo.

I bought the book I wanted, then decided to return home to my little wife, Winnie.

Burrows was the hero of the day when he sank two free shots just before the end of the Vamp. Scoring was: Waiz 9, Burrows 7, Summers 6, Main 1.

Breen, Martin Play

The All-Star Game was held at C.E. in the high school. The women coaches played the All-Star Girls' Team first game. The coaches appeared in full strip—rugby uniform including helmets.

They played a good game with their own sides but lost to the tune of 39-52. Heather Walker, representing Semiahmoo, scored two points.

The Boys' game was the best of the evening. Glenn Green represented the Semiahmoo Boys' team and Mr. Brown and Mr. Martin played for the coaches.

Glenn scored eight points and Mr. Brown scored 14 points. Although Mr. Martin went scoreless he did a fine job of defending his basket case!

Scoring was as follows: Stewart 11, Green 10, Fairholm 6, Barber 5, Meek 4, Terry 3, Molynek 2, Stone 2.

Final score was 51-47 in favor of the coaches.

Donation tea planned March 4 to re-stock Superfluity Shop

Clusters of pink daisies hugging the steps of White Rock Hotel and the promise of Spring in the air in general last Thursday night naturally turned the thoughts of the members of White Rock Hospital Auxiliary to spring cleaning.

Mrs. Lance Hicks, the new convener of Superfluity Shop, lost no time in putting in a word for that favorite child of the auxiliary by suggesting the auxiliary take advantage of that universal urge of the housewife at the sight of "old Sol" laughing in at winter-buried windows, and launch a Donation Tea for the replenishing of the stock at the "little curiosity shop."

THIRD ANNIVERSARY

Date for the tea was set for March 4 and it will be the third anniversary of the little shop which has proved such a gold mine for the hospital fund. Mrs. W. H. Briles, president of the auxiliary, hopes that every housekeeper in the area will keep the tea in mind when she starts straightening that attic, store room, cupboard and drawer.

Another Spring project that brings a sparkle to the eyes of the executive members is the Country Fair and Masquerade Ball to be introduced as an annual event, April 30. But the committee will have more to say about that later.

ESSAY PRIZE

Mrs. Archie McLean had an excellent suggestion for all literary-minded auxiliary members to try their hand at making \$100 for the auxiliary by writing an essay of 500 words or less on "How May Hospital Auxiliaries Best Assist Their Hospitals?"

Entries should be sent to essay convener, Mrs. Forbes Perkins, 6850 Montgomery St., Vancouver, B.C., by February 28.

Mrs. McLean will be glad to assist anyone and has a folio of helpful clippings and ideas on the subject.

EASTERN VISITORS

Dr. and Mrs. J. Fraser of Port Elgin, Ontario, spent Sunday with Dr. and Mrs. R. J. A. Borg, Oxford Street. The eastern couple had just returned from a cruise to Ketchikan, Alaska, which they enjoyed very much. Returning to Vancouver Sunday night they left Monday morning for Victoria and Seattle where early this week they boarded the train for San Francisco.

HONORED BY FRIENDS

Plying Officer Doug McGrath, who leaves this week for Calgary to take a nine week refresher course in the RCMP was honored by 90 friends Saturday at a surprise party given for the officer in the banquet room of Masonic Hall. An impromptu orchestra provided the excellent music for dancing and singing and during the evening the popular Doug was presented with a leather Air Force kit by Max Green on behalf of the gathering.

A new payroll

The first installment of a new quarter million dollar payroll arrived in White Rock last week. It was in the form of 500 new Universal Pension cheques, each worth \$40.

'White Rock's pensioner industry is steadily becoming an increasingly valuable and stabilizing force in the community. As was pointed out by Postmaster Don Munro, the cheques are equal to a 100-man payroll, with each man receiving \$200 per month. Any merchant that doesn't accept our senior citizens full respect and courtesy had better stop back and reassess the picture.

These new revenues will not be subject to strikes, loss of markets or a shift in consumer demand. They are and will continue to be a vital backbone for our local commercial life.

The 500 new cheques are in addition to those received by persons formerly in receipt of the Old Age Pension with meant test.

Unfortunately, according to figures released by Postmaster Munro, 264 persons will be disappointed as their cheques will not be delivered but returned to Victoria for correction of address.

These persons either failed to notify the government of their full address, gave an incorrect address or have not notified any change of address since the original application. According to rules laid down by the department concerned these cheques must be returned to Victoria for correction.

A simple "Bertha Smith, White Rock" is not sufficient. There are any number of Smiths in White Rock and district and anyone of them might have a wife named "Bertha". The full married name, with initials, should be used. In addition, persons who have given their address as "White Rock" when it should be "Semahmoo" or "Hilltop" are having their cheques returned.

To save confusion and disappointment, those who expected cheques and did not receive them, should advise Victoria of their correct address in order that these cheques may be forwarded speedily.

Eliminate 'death alley'

White Rock's Advisory Town Council is studying proposals to make Columbia Avenue from Foster to "F" a one-way street in view of the increasing traffic hazard at the corner of "F" and Columbia.

Under the proposals two alternatives are possible. Johnston Road may be extended and surfaced to Columbia for "down only" traffic and "F" reserved for "up" only. The other possibility is the paving of "F" from Columbia to Victoria for "up" traffic, allowing one-way only between Foster and "F" on Columbia. Under the second scheme traffic destined to reach the Hilltop area would proceed along Victoria to "F" and then up the hill.

If either of these proposals carry, the council should give serious consideration to the establishment of a NO PARKING zone on Victoria-Columbia from "F" to Vidal Streets. These thoroughfares are already carrying a sufficient volume of traffic to warrant such a move. Parked cars and narrow streets plus no sidewalks for pedestrian traffic are creating a potential "death alley" in this vicinity.

Rehabilitation

The theme of White Rock Week, February 10-16, is Rehabilitation of the Blind. Although financial support is of great importance, rehabilitation means infinitely more than material aid. The extra measure is exemplified in the giving of personal services, and in that field, not one individual is too poor to contribute.

Your contribution may be a friendly greeting, a moment taken for a chat, an arm offered across a thoroughfare, any act which will include your slightest interest in home and social activities. The average blind person has lost only one faculty. Other human attributes and desires remain.

Do not think of yourself as giver only—you may be the recipient of an experience deeper than that satisfaction of doing a kindness. It is better to light a candle than to curse the darkness. Men and women who have been denied physical vision have oftentimes lighted their candles and brought light into an otherwise spiritually darkened world.

Blind not deaf, Helen Keller says. "There is no lovelier way to thank God for your sight than by giving a helping hand to someone in the dark."

To be old is to be dominated by the past.
To be young is to accept the challenge of the future.

School Costs

Editor, Semahmoo Sun.
Dear Sir,
While it is true the municipal tax notice gives the taxpayers a "false picture" of education costs it is from a very different angle than that set forth by the B.C. Teachers' Federation.

To the present taxes showing on the municipal tax notice must be added the monies paid by the B.C. Provincial Government by school grants and for school buildings. Every dollar for education should show on the tax notice for all monies have to come from the taxpayer. The Government doesn't pick it from the bushes.

Taxes are not paid by juggling figures but by cash.

VALENTINE VENTURES

Parties can be fun on Dan Cupid's day

Hearts and flowers and sweet little words are in order because it will soon be Dan Cupid's very special day and everyone from 5 to 80 will send him love to his sweetheart.

Parties around Valentine's Day are fun with a heart theme. Heart shaped cutters, molds, cake pans make fancies that are so pretty appropriate for the observance of this day when love is the thing. Red flowers, cupid's arrows, red hearts and lacy table cloths are standard motifs and add much to the enjoyment of the occasion.

And your food should be appropriate, too. So here are a few recipes and suggestions to make this day very special.

TO MY VALENTINE CAKE

This is a really lovely dessert for your Valentine day celebration.

- 2 3/4 cups sifted cake flour
- 1 teaspoon double-acting baking powder
- 1 teaspoon salt
- 2 3/4 cups shortening
- 1 1/2 cups sugar
- 1 cup milk
- 1 teaspoon vanilla or grated lemon rind
- 5 egg whites
- 1/2 cup sugar

Sift flour once, measure, add baking powder and salt, and sift together three times. Cream shortening, add 1 1/2 cups sugar gradually and cream together until light and fluffy. Add flour, alternately with milk, a small amount at a time, beating after each addition until smooth. Add favoring.

Beat egg whites until foamy, add 1/2 cup sugar gradually, and continue beating until mixture will hold up in soft peaks. Beat thoroughly into batter. Turn into deep 8-inch heart-shaped pans which have been lined on bottoms with paper, then greased. Bake in a moderate oven, 375 degrees about 30 minutes. Frost with 7 Minute Frosting and shredded coconut.

SWEETHEART CAKES

These are pretty little cup cakes, tender and sweet.

- 1 2/3 cups sifted cake flour
- 1 1/2 teaspoons baking powder
- 1/2 teaspoon salt
- 1/3 cup shortening
- 1 cup sugar
- 2 eggs, unbeaten
- 1/2 cup milk
- 1 teaspoon vanilla

Sift flour once, measure, add baking powder and salt and sift together three times. Cream shortening thoroughly, add sugar gradually and cream until light and fluffy. Add eggs, one at a time, beating well after each addition. Add dry ingredients alternately with milk, a small amount at a time, beating after each addition until smooth. Add favoring.

Pour into greased cup cake pans, filling not more than two-thirds full. Bake at 375 degrees for 20 minutes, or until done. Frost cakes with 7 Minute Frosting tinted a delicate pink and decorate with little red candy hearts.

QUEEN OF HEARTS SALAD

This is perfect for Valentine's Day luncheon or supper party.

- 1 teaspoon gelatine
- 4 tablespoons cold water
- 1 cup hot water
- 3 tablespoons vinegar
- 4 tablespoons orange juice
- 4 teaspoons sugar
- 1 teaspoon salt
- 1/2 cup chopped celery
- 2 cups diced beets
- 1 teaspoon minced onion

Soften gelatine in cold water 5 minutes. Add hot water, stir until gelatine is dissolved. Add vinegar, orange juice and sugar and salt. Chill until mixture is consistency of unbeaten egg white. Fold in remaining ingredients. Pour into individual heart-shaped molds and chill until firm. Unmold for serving, using an crisp salad greens serving

endive will give a lacy effect. Garnish each salad with mayonnaise forced through a pastry tube to form an arrow. Makes 6 servings.

MERINGUE DELIGHT

This is a glamorous meringue with fresh lemon filling, guaranteed to capture hearts. You'll like the simplicity of this extra-fancy dessert. You can make it the day before and keep it in the refrigerator.

- 4 egg whites
- 1 cup granulated sugar
- 1 teaspoon cream of tartar
- Beat egg whites and cream of tartar until stiff. Gradually fold in sifted sugar. Beat well. Line cookie sheet with unglazed brown paper. Trace a heart shape on the paper. Spread meringue on the heart, higher at edges than in centre. Bake in a slow oven, 275 degrees for 60 to 80 minutes. Place on heart-shaped cardboard backing to prevent cracking. Cool and fill with lemon filling.

Lemon Filling:

Beat 4 eggs yolks lightly, add 5 tablespoons lemon juice, 1 tablespoon finely grated lemon rind and 1/2 cup granulated sugar. Cook in double boiler until very stiff. Cool.

Whip 1 cup heavy cream until stiff, mix in cooled lemon filling. Spread on meringue. Decorate with coconut tinted with red food coloring. Store in refrigerator, 10 to 24 hours. Serves 10 to 12.

CUPID'S COOKIES

These are ideal for children.

- 2/3 cup shortening
 - 2 eggs, beaten
 - 1 1/2 teaspoons salt
 - 1 1/2 cups sugar
 - 1 1/2 cups sifted all-purpose flour
 - 2 teaspoons baking powder
 - 1 teaspoon vanilla
- Cream shortening, add sugar gradually, then the beaten eggs, blending well. Sift together flour, salt and baking powder. Add to the first mixture. Add vanilla, mix thoroughly. Chill dough. Roll out to 1/4 inch thick on lightly floured board and cut with heart-shaped cutters. If the dough is too soft to cut into shapes, add a little more flour. Bake cookies in a moderate oven, 350 degrees for 12 to 15 minutes, or until done.

Cool and frost with thin icing sugar frosting tinted pale pink. Or frost with white icing and sprinkle with red sugar.

SWEETHEART MOLD

This is a lovely frozen dessert for the young fry.

- 1/2 cup sugar
 - 1/2 cup water
 - 2 eggs, separated
 - 1/2 cup maraschino cherries, dried
 - 2 cups heavy cream, whipped
- Roll sugar and water to 230 degrees or until it spins a thread. Add slowly to beaten egg yolks, beating constantly, until cold. Fold in stiffly beaten egg whites and whipped cream. Turn into mold and place in freezing compartment of refrigerator and freeze 2 to 4 hours.

LOVERS' CREAMS

These are really quick and easy little candies.

Over hot water, melt 2 tablespoons butter, add 2 cups lumpy sugar, reserving a little to spread on board for kneading, add 2

tablespoons evaporated milk. Mix well, add any desired flavoring and knead until very smooth. This candy may be colored with a few drops of food coloring. Roll into small creams. Top with cherries, pecans, dates, nuts, or roll in chopped nuts or coconut.

VALENTINE CHERRY MOLD

This is very nice for a really easy and effective dessert.

- 2 packages cherry flavored gelatin
- 4 cups hot water
- 1 cup pitted sweet cherries, cut in half

Dissolve gelatine in hot water, stir until thoroughly dissolved. Chill until mixture is consistency of egg white. Fold cherries into one-half the gelatin and pour into heart-shaped mold.

Beat (with bowl set in pan of ice water or cracked ice) the remaining gelatin mixture with a rotary beater until light. Pour into mold on top of the first mixture. Chill until firm. Serve garnished with whipped cream.

CRANBERRY CUP

This is a lovely starter for your Valentine meal. It can also be served as a special punch for your party.

- 2 cups cranberries
 - 2 1/2 cups water
 - 1 cup sugar
 - 1/2 cup orange juice
 - 2 tablespoons lemon juice
 - 1/2 cup pineapple juice
 - 1 pint ginger ale
- Cook cranberries in water until tender. Strain through jelly bag, add sugar, reheat until sugar is dissolved. Chill. Add fruit juices. Add ginger ale just before serving.

FRANK 'N KRAUT BAKE

This Frank 'N Kraut Bake is just as tempting to eat as it looks. Juicy, flavorful Franks, split and centred with cheese, are baked on a bed of zesty sauerkraut. It's an easy to make and hearty family dish that will be repeated often.

The basic ingredients are an odd

and favorite story. A pound of quality Franks and a can of sauerkraut. The new angle is the way that they're combined for tastier eating.

To the kraut, add one-fourth cup each of brown sugar and finely chopped onion, one-half cup catsup, two tablespoons melted butter and one tablespoon Worcestershire sauce. Lay the Franks with cheese centres on top of the mixture. Bake the casserole in a hot oven

(400°F) for 30 minutes, just long enough for the flavors to mingle and the cheese to melt.

Make the entire dinner an affair by tanning: meaty baked potatoes with the casserole. Put them in the oven about half hour before the casserole, and they'll be ready to serve at the same time. Finish the meal with an apple dessert such as apple sauce or apple Betty for perfect flavor complement.

In the Garden

By G. E. SERY, Garden Editor

RAISING PLANTS, CROPS, TREES

From the earliest times the raising of crops, plants and trees from seed, also by cuttings and layers, as well as increasing trees by budding and grafting, has been carefully and successfully practiced.

Yet in these modern days and with schools everywhere, the great majority of persons who work on the land know little or nothing about at least some of these operations.

The subject of raising new plants from seed is full of interest, and the process of fertilization, or inoculation as it is often termed, for the production of new and distinct varieties, is to many mysterious.

SEED AND GERMINATION

Every plant raised from seed is absolutely a new plant; the plant in the seed was in the seed, just as a chicken must be in the egg before it can hatch; and as the egg affords nourishment for the chick before it escapes from the shell, so does the seed contain nourishment for the embryo plant until it produces roots and gathers food for itself.

It is important that both eggs and seed should be good, whether used as food or for purposes of reproduction. A thin, weak, ill-fated seed cannot produce a robust plant. The seed must be well stored with starchy matter.

It is a mistake, therefore, to eat all the finest pods of beans and peas, and save only the thin and weak for sowing. By saving the seeds in an unusually fine pod of peas and beans, sowing them and selecting the best from these again, improved varieties of great value have been established.

This is called improvement by selection and is within the power of any man to effect. It is not improvement by fertilization, which is a more delicate process, but attainable by steady hands guided by thoughtful hand.

REQUIRES STUDY

Germination is the first growth of seeds, and is worthy of careful study, because when the process is well understood and the necessary conditions are comprehended and provided, failures are not likely to occur. The seeds, we have said, must be good.

Some are in the best condition the first year, such as peas, beans, clove, onions and parsnips, and enough older seeds may grow, it is not to be trusted. New seeds are not absolutely essential of the cabbage family, including turnips, as fine well-harvested samples remain good for half a dozen years.

The chief requisites for seed germination are soil warmth and moisture, with oxygen gas from the air. In the absence of any of these essentials there can be no growth.

Some seeds if buried too deeply may have sufficient moisture, but that is of no service if they are sealed from the air; others may have air in abundance, but if they are too near the surface, or on it, they lack moisture, and therefore remain inert. The amount of heat required varies for different kinds, but some warmth is essential in all.

Seeds germinate best in the dark, and if small seeds are sown on, not in the soil, and this is constantly moist, and no light reaches them, they grow freely, but they would not do half as well in full light, even if they had light and moisture.

NEED HEALTHY SEED

Heat is evolved in the process of germination, as may be seen, or rather felt, in matting barley; and this also shows how important good seed is. When the seed is plump and well-ripened, containing abundant starch, this, when the seed swells, and the young plant is hatching so to say, is converted into sugary matter for its nourishment; but if the barley is imperfect it contains little or no starch, but a kind of gum, and the heat, air, and moisture convert this, not into sugar, but vinegary, and the seed decays instead of sprouting. That is exactly what occurs with seeds in the ground when it is in the same faulty condition.

In sowing seeds, then, they must be covered to exclude light, be deep enough to find moisture, but

as the milk bottles of infant plants, and if not large and well-lit the growth must be weak.

They cannot be large and strong if they crush against each other. They should never touch. This is a small matter of great importance that ought not to be overlooked. Too thick sowing and too late thinning spoils many crops.

(To be continued next week.)

New series planned for B.C. Gardener

Program of the B.C. Gardener for the months of February, March and April was released this week by the Canadian Broadcasting Corporation.

Talks are heard each Sunday at 10 a.m. over CRIU, Vancouver.

Dates and topics are as follows: Feb. 10—Grubbing and Grooming. When making your garden, proper equipment is a good thing—but knowing how to use it is even more important!

Feb. 17—Informally Without Disorder.

In planning trees, shrubs, beds and borders.

Feb. 24—A Rose by Any Other Name.

Still needs attention now to look and smell as sweet. Mar. 2—Early to Bed. Is not necessarily early to rise—when it comes to sowing vegetable seeds.

Mar. 9—Stand on Velvet.

A good lawn is an easy and safe investment.

Mar. 16—The Good Neighbour.

The gardener who gives of surplus seeds and slips gets free insurance against future losses—Perennials, Glads and Dahlias.

Mar. 23—Brevis—But all Bright.

Annals—the most colorful flowers in the garden.

Mar. 30—Questions and Answers.

Apr. 6—Fruit and Trif.

Pruning evergreen trees, shrubs and hedges.

Apr. 13—Escape.

Easter in the garden, where a hobby becomes a healthy unit.

Apr. 20—Heat and Humidity.

How and when to water—out doors and indoors.

Apr. 27—Of Men, Males and Mice. And touching on numerous other pests and troubles.

Are You Between 65 and 69?

Starting January 1, 1952, the Provincial Government will join with the Government of Canada in paying an allowance of \$40 a month, called Old-Age Assistance, to persons between the ages of 65 and 69 who indicate need by passing an eligibility test.

In Addition:

the Provincial Government will pay to those who qualify, up to \$10 monthly as a cost-of-living bonus, and Health Services which include the payment of B.C. Hospital Insurance premiums and co-insurance, medical, optical, drug and limited dental care. To qualify for the Health Services and cost-of-living bonus, a person must qualify for Old-Age Assistance, and have a total yearly income* of not more than

\$ 720 if single.

\$1080 if married and living with spouse who does not qualify for Old-Age Assistance.

\$1260 if married and living with spouse who also qualifies for Old-Age Assistance.

● A person must have lived in B.C. for three years immediately prior to his application to qualify for the cost-of-living bonus, and one year for the Health Services.

● Total yearly income includes Old-Age Assistance, other income, and an amount based on a calculation of assets (home, property, bonds, money in bank, etc.).

McLaren rolls perfect game

Saturday is Hospital night

Top bowling news last week was Charlie McLaren's perfect "300" score at ten pins. The story at that time a perfect game had been bowled at the local alleys and man, aged Wern Lepp was the goat to the tune of 100 dollars. See picture page 1.

This Saturday the Idle Hour Alleys are holding a Hospital Night in aid of the local hospital building fund. The alleys are paying all expenses and the entire proceeds will go to the drive. Make up a party and roll a late Saturday for the hospital.

McLaren, flush with confidence after his perfect game, has issued a challenge to all bowlers. He will bowl any person one game for one dollar. Lower to pay dollar and cost of bowling to the Hospital Fund. Times for this match may be reserved by phoning Manager Wern Lepp at W.R. 3414.

In league play Mary Carmody led the ladies with her high single game of 274. Bill Beaman rolled 278 to pace the men. High roller in league play was Bob McBurnie with 223.

SUNNYSIDE NEWS

P-TA plans evening meeting Wednesday

By MRS. DABY STEPHEN

The monthly P-TA meeting will be held in Sunnyside School, February 13, commencing at 7:30 p.m.

Entertainment will be provided by Miss Fells' class with the presentation of "The Wizard of Oz". Tea will be served at 8 p.m.

Please notice that the meeting is being held in the evening this month. There will be no Whist Drive that evening.

The dance which took place in Elgin Hall on February 1 for the purpose of providing funds for the Boy Scouts proved very successful. A large crowd attended the well organized affair.

Winner of the first hamper was Mrs. W. McGuire of Sunnyside Road, White Rock. Second hamper went to Frank Gates of New Westminster, while Mr. Schmidt of Port Kells won the drygoods hamper. Winner of the door prize, which was \$5 cash, was Frank Dent, Sunnyside.

The Ladies' Aid of Sunnyside United Church are planning to organize a C.G.I.T. group. Definite plans will be announced later.

Films will be shown at Sunnyside United Church, February 12 at 8 p.m. Everybody welcome.

Evening of February 13 has been set for the full board meeting of Sunnyside and District Credit Union, at home of F. H. McDermid, Sunnyside and Clow Road.

The large crowd attending the social evening in Sunnyside Hall on Saturday night spoke well for the keen interest shown in this White Rock hospital effort. The social was sponsored by the Crossroads Group. Almost £25 was realized.

H. Thackeray of Weyburn, Sask., is enjoying the springlike weather of the coast. While residing at Sunnyside Auto Court, he is renewing acquaintance with many friends from Saskatchewan who are in this vicinity, as is Mrs. R. White, also of Weyburn, Sask.

Mr. and Mrs. F. Mikelson of Sunnyside spent a few days in Vancouver last week, the guests of their son and daughter-in-law, Mr. and Mrs. A. Mikelson.

SEVENTH YEARS OLD
Marking the seventieth milestone in the life of Harry Dent, his children gave him a surprise party, February 1 at his home on Stuyvesant Road. Laden with gifts and congratulations, the family party included Mr. and Mrs. J. Gibson and family of Langley Prairie, Mr. and Mrs. V. Gable and family, Mr. and Mrs. Harry Dent, Jr., and family, and Mr. and Mrs. Frank Dent and family of Sunnyside.

Neil McDonald is again in Royal Columbian Hospital, New Westminster, where he underwent an operation last week.

Recent visitors at the home of Mr. and Mrs. Pay T. Elliott of Sunnyside was Mrs. Elliott's sister and brother-in-law, Mr. and Mrs. J. W. Kirk of West Bay, accompanied by Mr. and Mrs. Clayton Kirk and son Colin of Vancouver.

Elaine McKay of Brown Road was the happy little bride on February 1 when her little friends called to wish her happiness on her ninth birthday.

Little Maryann Melville was home from hospital for awhile, but will return for further treatment.

Burns Supper attracts many

More than 100 members and friends attended the Burns' Supper held in Crescent Church, February 2.

J. S. Burns was chairman for the occasion; Rev. P. Connal said the Selkirk Grace; Rev. Church gave the address to the haggis and Mr. Ferguson of Cloverdale was piper.

Teast to the ladies was made by Rev. Church and responded to by Mrs. J. K. Kerster. Also taking part in the program were soloists, Mrs. Jackson and Miss Isabelle Spitt; dancers, Sandra Gray and June Pooley; Mrs. Johnson, pianist; Mr. Dent, violinist; Mrs. P. Connal gave a reading and the evening's address was given by Rev. P. Connal.

Auxiliary seeks superfluities

The White Rock Hospital Group met at the home of Mrs. A. McRide on Thursday last. The ladies are holding a drive this week to collect articles for the Superfluity Shop in White Rock. They are also making plans to have a booth at the Hospital Country Fair on April 23.

Franklin Johnson, the well known actor and producer, gave the members a talk on amateur theatricals, as at a later date the Group plan to hold an entertainment of that nature.

A whist and bridge party will be held at the Anglican Church Hall on Thursday, February 7. Proceeds will be donated to "Save the Child, Save the Fund".

Mr. and Mrs. Armstrong have returned to their home here after a two months vacation in California. During their trip they visited their daughter and son-in-law, Mr. and Mrs. Jim Tustensen, who live in Sacramento.

Mr. and Mrs. Royce have left their home on Sullivan Avenue and moved to McKenzie Street.

Miss Caple Temblott has recovered from her recent illness, and Judy Greiger is out and about again; Juanita Savin is confined to bed with a leg injury. Congratulations to Laurel Johanson who celebrated her 4th birthday on February 4th.

Members of the Crescent Branch of the C.G.I.T., assisted at the United Church Service on Sunday last, and travelled to New Westminster later in the day to rehearse for a radio program to be given on CKWV next Friday.

Over 100 diners enjoyed the "Burns Supper" held at the United Church Hall on Friday last. After dinner the guests enjoyed several vocal numbers; request for the very enjoyable evening is due to members of the W.M.S. and the A.O.T.S.

Crescent Legion News

A whist drive, sponsored by Branch 240 will be held at 8 p.m., at Mr. Taylor's Store on Friday, February 4.

The Ladies' Auxiliary are holding a rummage sale on Saturday, February 23. Anyone who can donate goods such as glass, china, books, clothing, etc., is asked to contact any member, or phone the convener, Mrs. Savin, Newton 125.Y.2.

LIBRARY

(Continued from Page 1)

requests for books put in by read-ers in 1951 was 14,000.

At the White Rock branch li-brary show that 18,822 fiction and 2,870 non-fiction books were loaned to adult readers. In addition 1,181 juvenile books were borrowed.

A total of 23,673 books were loaned to 431 adults and 25 juvenile, representing an average of over 45 books per reader.

Chairman J. W. Wilson com-pleted the month following new and increased branch library accommo-dations. Hanley, new branch open-ing in May, White Rock, re-opened in the Fall by Surrey Council and now being completed inside by the Kin Club of White Rock; Cloverdale, where alterations are now in progress; Hope, where ex-its library accommodation has been provided; and Chilliwack, a new building opening in December, 1950, one of the finest branch li-braries in the province.

WANTS NEW QUARTERS

Need for a new headquarters was stressed by the Librarian, who said that with the increased volume of circulation it is false economy not to provide adequate quarters. The new quarters in the library service center of the library system. In the north library served over 22,000 readers through 11 branch libraries and deposit stations, 119 book room stations, and 113 elemen-tary school libraries. Six new schools will be given service in 1952, bringing the number of school libraries in 119, and the total num-ber of library agencies to 264.

Increased demand for library ser-vice, plus rising costs of books and overheads have placed an extra strain on the library's finances. The 1952 budget, approved by the annual meeting, called for a tax levy of 20¢ per capita from member municipalities, up 10¢ from previ-ous years.

BASED ON CENSUS

Levy will be assessed on the 1951 census figures, which show a total of 114,970 persons living in mun-icipalities and rural areas of school districts served by the library.

The chairman pointed out that the library levy had been raised only once before in the 21 years of the library's history, and, even at 50¢, represented less than 1 per cent of the total municipal in-come.

Election of officers for 1952 re-sulted as follows:

Chairman, J. W. Wilson, of Sumas municipality; vice-chair-man, Reeve S. Musalem, of Maple

Surprise party marks 84th birthday celebration

A cake in the form of a huge 8 with four candles dotted on it was the highlight of the evening at the surprise party held at the home of E. K. Brown, 3411 Ave. in the occasion of his 84th birth- day.

Twenty guests gathered for the celebration and each complimented the honoree on his good health. Mr. Brown comes from a family who pride themselves in their longevity. His sons have lived to their late nineties, his brothers, all older than him, are in excellent health, and some of his relatives have passed the hundred mark.

A very active man, Mr. Brown amazes his younger neighbors with his arduous work and early hours. Awake each morning at 4:30, he reads for an hour and as dawn breaks he is out of doors at his multiple jobs. "Fresh air, plenty of work and lots of good milk," are regulars of long life, says the enthusiastic Mr. Brown.

CARD PARTY High man at bridge at the weekly card party of the Ladies' Auxiliary to Branch 8, Canadian Legion, Monday night, was R. Greenwood. T. Steadman had low honors.

Feather confirmed in fire inspection post

Surrey Council has confirmed the appointment of Raymond C. Feather of 1471 Ayers Road, Rtd. New Westminster, as Surrey Co-ordinator and Fire Inspection Of-ficer. He succeeds Lambert J. Bur-ton who has filled the duty of fire Prevention Officer and Plumbing Inspector for the past seven years.

Mr. Feather has had 19 years experience, 17 of which were with the City of Saskatoon.

Councillor William Mortimer wondered why the necessity of dividing the position when Mr. Burton has done the world's work seven years.

"I was pointed out work had in-creased rapidly in the municipality and much of the plumbing inspec-tion work was being up."

ISLAND VISIT Mrs. E. Fowler, 31 Finlay Street, has been called to Port Alberni where her daughter is ill.
